

# LORE KEEPER

## TTRPG Campaign Planner

*5e Compatible*

---

Thank you for purchasing our Lore Keeper 5e Notion Template. We hope you enjoy all our digital resources. Below you'll find instructions on how to download the files and information for support.

## Getting Started

### Create a Notion Account

1. Create a Notion account, create one for free [here](#).
2. Click here or the button below to access the [template](#).
3. On the top right bar, click [Duplicate](#). Notion will duplicate the template into your Notion workspace. If you created your account or logged in during this step, you may need to re-click the link and start over
4. You can now edit the Template to fit your needs. We recommend watching the [Notion Basics Video](#) and [Notion Advanced Video](#) to learn how to take advantage of Notion's database features.
